OUR PROJECTS

OPENEYES SOFTWARE SOLUTIONS

Association for Financial Professional

☐ **assessment.afponline.org**

A sales assessment is conducted ultimately to identify areas of knowledge or behaviors that needs training to accomplish the sales goals.

The analysis considers the organization needs by knowing knowledge and skills the learner presently has and usually concludes with identifying knowledge and skills the learner must gain by taking recommended training courses.

This custom designed, developed & maintained tool shows the knowledge gaps between employee's skills and company and/or market requirement.

FEATURES

- Role based access
- Randomly generated assessments
- Robust reports advising recommended courses

- Personalized dashboard
- No dependent Administration of the tool
- Audit and Activity logs
- Dynamic customized alert system
- Agile search for anything within system
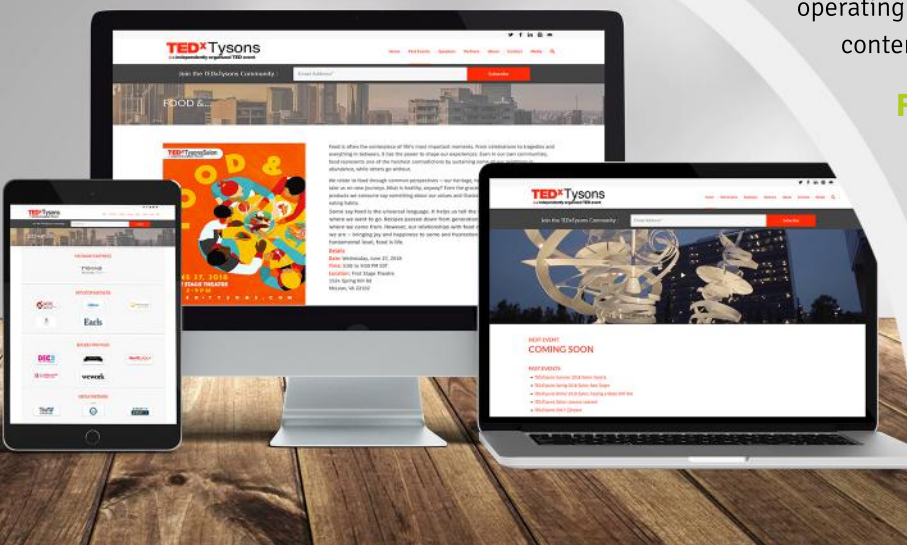

TEDx Tysons

☐ **www.tedxtysons.com**

TEDx is an independent TED event. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience.

At the TEDxTysons event, TEDTalks video and live speakers are combined to spark deep discussion and connection in a small group.

OpenEyes serves as a Media Partner developing, designing, operating and maintaining not only the website but also the web content.

FEATURES

- Ticket Management
- Press Releases
- Media Coverage with Video and Image editing
- Registration for Attendees, Speakers and Sponsors
- Integration of Google Forms
- Constant archival of content
